SECURITY FENCE FOR GLENDORE PUBLIC SCHOOL

To the Honourable the Speaker and Members of the Legislative Assembly of New South Wales in Parliament assembled.

The Petition of residents of Maryland and surrounding suburbs brings to the attention of the House the ongoing issues with vandalism and theft from the school. Glendore Public School is the only school in the area without a fence.

The undersigned petitioners therefore ask the Legislative Assembly to ask the Government to fast track a security fence for Glendore Public School.
