**Notice of Motion**

**2528 - JOHN HUNTER HOSPITAL SHUTTLE BUS**

**Ms SONIA HORNERY ( Wallsend ):**

That this House:

Notes that the John Hunter Hospital shuttle bus was utilised by the Hunter Medical Research Institute for their Open Day on 6 October 2017.

Notes this very popular service was cancelled in 2015, despite the urgent need to relieve traffic and parking pressures at John Hunter Hospital and provide a door-to-door service for people with disabilities.

Urges the Minister for Health to work with Hunter New England Health to reinstate the service.
