**2539 - SCHOOL BREAKFAST PROGRAM**

**Ms SONIA HORNERY ( Wallsend ):**

That this House:

Research shows 1 in 7 kids go to school without breakfast, meaning hundreds of Wallsend students begin the day hungry.

The School Breakfast Program has not been adequately funded in the 2017-2018 budget, and School Breakfast Clubs are facing financial difficulty.

Urges the Minister for Education to support the School Breakfast Program.
