2069 - GRETLEY COLLIERY COLLAPSE ANNIVERSARY

Ms SONIA HORNERY (Wallsend):

That this House:

Notes 14 November 2016 marked the 20th anniversary of the tragic Gretley Colliery collapse which took the lives of four miners, Edward Batterham, Mark Kaiser, John Hunter and Damon Murray.

Honours the memory of those whose lives needlessly cut short by accidents in Australian workplace.

Acknowledges reforms following this heartbreaking loss and supports CFMEU's lifesaving work in making workplaces safer for all Australian workers.
