

PARLIAMENT OF NEW SOUTH WALES
LEGISLATIVE ASSEMBLY

FIRST SESSION OF THE FIFTY-SIXTH PARLIAMENT

Notice of Motion

9 March 2017

1797 - NEWCASTLE POLICE RESOURCES

That this House:

Notes that a community meeting about local police resources was held in Maryland in December 2016.

Notes that the NSW Police Force relies on statistics to assign limited resources and under-reporting of local crime affects resourcing.

Notes that residents were concerned with low police numbers resulting in poor response times in Blue Gum Hills.

Urges the Minister for Police to allocate more police officers and resources to the Newcastle Local Area Command.
