

PARLIAMENT OF NEW SOUTH WALES
LEGISLATIVE ASSEMBLY

FIRST SESSION OF THE FIFTY-SIXTH PARLIAMENT

Notice of Motion

2 May 2017

1956 - ABANDONED VEHICLES

That this House:

Notes the Roads and Maritime Services (RMS) is paying tow truck companies to dump abandoned cars on council roads.

Notes the resultant inconvenience caused to residents and the practice of vandals destroying the vehicles and often burning out the cars with potential major consequences.

Calls on the Minister for Transport and Infrastructure to stop the practice which results in councils being responsible for the final removal of vehicles and direct the RMS to impound the vehicles.
