**Notice of Motion**

25 September 2018

**3461 - JOHN HUNTER HOSPITAL AND WORKS**

**Ms SONIA HORNERY ( Wallsend ) :**

That this House:

Notes that recent road works at the John Hunter Hospital campus have failed to alleviate traffic congestion.

Considers that part of the solution for the traffic issues surrounding the John Hunter Hospital is the Newcastle Inner City Bypass.

Urges the Minister for Roads to begin construction of the Newcastle Inner City Bypass and an additional entry to the John Hunter Hospital.
