**2988 - FOOTBALL IN NEW SOUTH WALES**

**Ms SONIA HORNERY ( Wallsend ) :**

That this House:

Notes that 863,210 people played football in New South Wales in 2017, an increase of 44 percent over the previous year.

Notes that \$417 million from football was contributed to the economy last year, which would increase by \$202 million if demand for football facilities was met.

Encourages the Minister for Sport to unlock this economic potential by investing in football facilities.
