

PARLIAMENT OF NEW SOUTH WALES
LEGISLATIVE ASSEMBLY

FIRST SESSION OF THE FIFTY-SIXTH PARLIAMENT

Notice of Motion

17 October 2017

2538 - WALLSEND - DEMENTIA CARE

Ms SONIA HORNERY (Wallsend):

That this House:

Notes that the number of Australians living with dementia is expected to rise from 413,000 to 1.1 million by 2056.

Notes that Wallsend residents will be facing an increasing risk of dementia as it looks set to overtake heart-disease as the country's number one cause of death.

Urges the Minister for Health to increase funding for dementia research and treatment in the Wallsend electorate.
