LEGISLATIVE ASSEMBLY

Notice of Motion

**636 - CALVARY MATER NEWCASTLE HOSPITAL CANCER
PATIENT WAIT TIMES**

Ms SONIA HORNERY (Wallsend) :

That this House:

Notes cancer patients at Waratah West's Calvary Mater Newcastle Hospital are forced to wait up six weeks for chemotherapy treatment because of a lack of staff and spaces.

Notes that for some patients it is having a detrimental impact on their health.

Calls on the Minister for Health and Medical Research to urgently review the cause of the delay and ensure there are enough spaces for patients to receive their treatment.
