**FIRST SESSION OF THE FIFTY-SEVENTH PARLIAMENT**

**Notice of Motion**

**455 - COMPUTED TOMOGRAPHY SCANS IN  
EMERGENCY DEPARTMENTS**

**Ms SONIA HORNERY ( Wallsend ) :**

That this House:

Notes that patients presenting to local Emergency Departments for Computed Tomography (CT) scans do not have their results assessed locally.

Notes that due to budget cuts, hospitals are forced to send results to Victorian doctors for assessment.

Notes that Victorian Hospitals have doctors available 24 hours a day seven days a week to assess scans.

Calls on the Minister for Health to ensure our local hospitals are adequately staffed with doctors capable of assessing patients CT results.
