Notice of Motion

**213 - JOHN HUNTER AND CALVARY MATER HOSPITALS -
STAFFING LEVELS**

Ms SONIA HORNERY (Wallsend) :

That this House:

Notes the January to March 2019 quarter was the busiest on record for the John Hunter and Calvary Mater Hospitals.

Notes there are low staffing levels and a steep rise in patient numbers during this flu season that has burnt out and exhausted staff.

Calls on the Minister for Health to deliver the promised additional staff for these hospitals.
