Two young Waratah brothers are swapping their suits for their suitcases, with plans to travel around the world after discovering they had won \$4.8 million in the recent Set for Life draw.

The local brothers take home the prize of \$4.8 million, paid in instalments of \$20,000 a month for 20 years.

When a winner of a prize like this is announced, we never think about the joy and honour the local newsagent feels.

Their winning entry was purchased at the Waratah LPO and Newsagency. Waratah LPO & Newsagency owner Michael Phillips was ecstatic to hear the local winners had discovered the exciting news that they were set for life.

Newsagents are so glad when winners come back in to the store where they bought their ticket to check if they have won.

Michael and his team were thrilled to be a part of the winning moment.

They really hope the 2 brothers enjoy their prize, and hope that their store can deliver more division one wins to some of their customers soon.

This was such a great win for the store, the winners and the community.
