St Philip's Christian College Musical Theatre is a youth theatre group that for many years has provided a place for students to express their creative talents.

Their recent production of High School Musical was a roaring success at the Civic Theatre and the production has received eight nominations from the City of Newcastle Drama Association. I

would like to congratulate the production for these nominations, which are: Best Production by a youth company or school Best Ensemble – 18 & Under Excellence by a Performer 18 & Under in a Musical, for which Charlotte Worth was nominated Excellence by a Music or Vocal Director, for which Lindy Connett was nominated Excellence in Audio Visual Multimedia & Projection, for which Belle Holliday Williams was nominated Excellence by a Choreographer, for which Natalie Baker was nominated Excellence in Lighting Design, for which Damon Herington and Michael Cooper were nominated Excellence in Set Design, for which Michael Cooper was nominated.
