

PARLIAMENT OF NEW SOUTH WALES
LEGISLATIVE COUNCIL

FIRST SESSION OF THE FIFTY-SIXTH PARLIAMENT

Notice of Motion

7 February 2018

2723 - NEWCASTLE TRANSPORT NETWORK

Ms SONIA HORNERY (Wallsend):

That this House:

Considers that since private provider Keolis Downer introduced new timetables and routes, widespread local commuter anger has increased.

Considers that many students have waited long periods for buses because services have been rerouted or discontinued and now cross dangerous roads.

Calls on the Minister for Transport to intervene and demand Keolis Downer urgently review the bus network.
