LEGISLATIVE ASSEMBLY

FIRST SESSION OF THE FIFTY-SIXTH PARLIAMENT

Notice of Motion

9 March 2017

1813 - BERESFIELD DRIVER REVIVER

That this House:

Recognises that the Beresfield Driver Reviver site served travellers and road users 24 hours a day, 60 days a year during peak travel periods, for thirty years.

Notes that due to roadworks the current site is no longer suitable and Morisset Lions Club, which runs the Driver Reviver, is working with Roads and Maritime Services to find a new location.

Urges the Minister for Roads, Maritime and Freight to find a suitable new location for the Driver Reviver.
