LEGISLATIVE ASSEMBLY

FIRST SESSION OF THE FIFTY-SIXTH PARLIAMENT

Notice of Motion

**1737 - LAND AND PROPERTY INFORMATION
PRIVATISATION**

That this House:

Notes plans to privatise titling and registry functions of Land and Property Information.

Notes the Newcastle Law Society opposes the planned privatisation, as it will undermine the confidence of property owners and investors across New South Wales.

Calls on the Minister for Finance, Services and Property to reverse plans to privatise the titling and registry functions of Land and Property Information.
