

PARLIAMENT OF NEW SOUTH WALES
LEGISLATIVE ASSEMBLY

FIRST SESSION OF THE FIFTY-SIXTH PARLIAMENT

Notice of Motion

21 February 2017

1700 - TAFE FUNDING

That this House:

Notes the Premier, in her first media conference, made the maintenance of a strong economy a major priority of her premiership.

Notes the Government has overseen the defunding of NSW's TAFE system and poorly implemented and mismanaged the Smart and Skilled Program.

Calls on the Minister for Skills to restore TAFE funding as skilled workers are essential for a strong economy.
