## **2599 - REGIONAL SPORTS INFRASTRUCTURE GRANTS**

**Ms SONIA HORNERY ( Wallsend ):**

That this House:

Notes that Newcastle City Council was excluded from eligibility for Regional Sports Infrastructure Grants.

Considers that Beresford Public Pool is in desperate need of upgrading and is located in a growth corridor but is not eligible for a grant.

Urges the Minister for Sport to expand the Regional Sports Infrastructure Grants program to support public amenities like Beresfield Public Pool.
