

PARLIAMENT OF NEW SOUTH WALES  
LEGISLATIVE ASSEMBLY

**FIRST SESSION OF THE FIFTY-SIXTH PARLIAMENT**

**Notice of Motion**

**2558 - ROAD SPEED AWARENESS COURSES**

**Ms SONIA HORNERY ( Wallsend ) ( 13:20 ):**

That this House:

Notes the National Roads and Motorists Association (NRMA) proposal to introduce a road speed awareness course, in lieu of a fine, as an option for first time low range offenders.

Understands that a similar program has had extraordinary success in the United Kingdom.

Acknowledges that fines have a disproportionate impact on people living on low incomes.

Urges the Minister for Roads, Maritime and Freight to develop and implement a Road Speed Awareness Course in line with the NRMA's proposal.
