

PARLIAMENT OF NEW SOUTH WALES
LEGISLATIVE COUNCIL

FIRST SESSION OF THE FIFTY-SIXTH PARLIAMENT

Notice of Motion

21 November 2017

2638 - SCHOOL CLEANERS CONTRACT

Ms SONIA HORNERY (Wallsend) (13:21):

That this House:

Notes that the mother of the Member for Wallsend was a long-serving school cleaner of 24 years.

Notes that the Government intends to roll back the conditions of school cleaners in New South Wales.

Cleaners will be forced to reapply for their jobs at the end of every contract, which will see them lose their accrued sick and recreational leave, thus jeopardising their job security.

Urges the Premier to take urgent steps to protect our school cleaners' jobs and conditions.
