WARATAH WEST PUBLIC SCHOOL

Ms SONIA HORNERY (Wallsend):

It was my pleasure to join the school community at Waratah West Public School in celebrating the opening of a new "Therapy Bird" Aviary. The aviary was donated by Mr Charles Webster and built by the generous members of the Cardiff Men's Shed, including Dallas Hicks, Greg Walton, David Standen, Ken Ross, Barry Kimber, Bob Eveleigh, Steve Mahoney.

A smoking ceremony started the proceedings, before the aviary was dedicated to former principal Mrs Julie-Anne Kelly, who retired recently after many years of service to Waratah West Public and its community.

It was great to see this wonderful new addition to Waratah West public inaugurated. I wish current principal Nicola Moroney all the best in her role.
