LEGISLATIVE COUNCIL

FIRST SESSION OF THE FIFTY-SIXTH PARLIAMENT

Notice of Motion

8 February 2018

2736 - BUS SERVICES - NEWCASTLE

Ms SONIA HORNERY (Wallsend):

That this House:

Considers that there have been multiple service delivery problems since Newcastle buses and ferries have been operated by Keolis Downer.

Considers that the new routes and timetables have caused confusion and there have been reports of driver abuse.

Calls on the Minister for Transport to intervene and demand Keolis Downer urgently review the network.
