

PARLIAMENT OF NEW SOUTH WALES
LEGISLATIVE COUNCIL

FIRST SESSION OF THE FIFTY-SIXTH PARLIAMENT

Notice of Motion

15 February 2018

**2797 - CONTAINER DEPOSIT SCHEME
NEWCASTLE WESTERN SUBURBS**

Ms SONIA HORNER (Wallsend) :

That this House:

Notes that Beresfield and Tarro residents must travel long distances to Jesmond or Mayfield to access Return and Earn facilities.

Notes that this is an unfair impost on these residents and negates the environmental and financial benefits of the container deposit scheme.

Urges the Minister for the Environment to open more Return and Earn locations in Newcastle's western suburbs.
