LEGISLATIVE ASSEMBLY

FIRST SESSION OF THE FIFTY-SIXTH PARLIAMENT

Notice of Motion

3314 - KEOLIS DOWNER BUS SERVICES

Ms SONIA HORNERY (Wallsend) (12:28):

That this House:

Considers that since private provider Keolis Downer introduced new bus routes and timetables, there has been widespread confusion and anger amongst Wallsend commuters.

Notes that adjusted routes and timetables rolled out in July reduced 33 bus services to Wallsend.

Calls on the Minister for Transport to intervene and direct that Keolis Downer urgently review the bus network.
