3476 - ENERGY COSTS FOR WALLSEND RESIDENTS

Ms SONIA HORNERY (Wallsend) :

That this House:

Notes that rising energy costs are having a significant impact on Wallsend residents.

Understands that the average amount of assistance provided by St Vincent de Paul to struggling families has increased from \$111 per household to \$318 in the last two years.

Calls on the Government to do more to reduce the cost of energy and increase the Energy Accounts Payment Assistance.
