

WALLSEND POLICE STATION

To the Honourable the Speaker and Members of the Legislative Assembly of New South Wales in Parliament assembled.

The Petition of residents of Wallsend and surrounding suburbs brings to the attention of the House their concerns about a reduced police presence in Wallsend and their desire for a Police Station to be built in Wallsend.

The undersigned petitioners therefore ask the Legislative Assembly to ask the Government to provide funding to reinstate a Police Station in Wallsend to combat crime in this expanding residential area.
