PIGGOTTS PHARMACY

Ms SONIA HORNER (Wallsend) :

Congratulations to the very successful and long term local family business, Piggott's Pharmacy, who are proudly celebrating 50 years of business.

Chris and Shirley Piggott chose Blackbutt to open their first pharmacy in 1970. Their business grew, purchasing and operating more pharmacies, while raising their four children, Anthony, Skye, Andrew and Maddi. Chris, an educator, also taught pharmacy management at Newcastle University for 14 years.

The family passed on their pharmacy passion to Anthony, Skye and Maddi. Anthony and Sky purchased the Blackbutt pharmacy from their parents in 2009, and added more pharmacy's to Branxton, Hamilton, Hamilton South, Huntlee, Lambton and Merewether.

On 7 November 2020, the family came together with Chris, Shirley, their children and grandchildren (with the exception of Maddi who could not make it due to COVID19 restrictions), to celebrate 50 years of Piggott's Pharmacy and caring for the community.

Thank you Chris and Shirley, Anthony, Skye, Andrew and Sandra, and Maddi.

Your community spirit and quality care speaks for itself. Your sound business growth represents Piggott ingenuity.
