CHLOE SMITH

Ms SONIA HORNERY (Wallsend) :

Navigating the difficulties of the HSC school year is never easy at the best of times, least of all during a pandemic. Despite these challenges, the students are striving to learn and improve their knowledge. Chloe Smith, a year 12 student from Lambton High, has had her efforts recognised and has been awarded the Minister's Award for Excellence in Student Achievement.

Chloe's achievements in her academic study and sports engagements, as well as her leadership roles in the Student Representative Council, as Senior Prefect, and as sports coach, make her a worthy recipient of this honour. She approaches her studies enthusiastically to ensure she achieves at the highest level, and she has a passion for service to her school and the community at large.

Chloe takes pride in representing her school and the Hunter region, and is a student who embodies the values of public education.

I would like to congratulate her on her well-earned award, and wish her all the best in her HSC exams.
